CHICAGO BOTANIC GARDEN

Regenstein Education Building Renovation

Project Scope

A complete renovation of the existing award-winning 104,000 sq. ft. Education Building, designed by Edward Barnes. The renovation facilitated a new Education Center with state-of-the-art classrooms, botany labs, design labs, lecture halls, auditoriums, art galleries, public library, plaza deck fountains, office space and a newly-constructed 12,000 sq. ft. basement installed under the existing structure.
